

## To help protect your family, erase your debt.

Life can be wonderful. But it can also get complicated when unexpected events happen. Protecting your loan against death, disability, or involuntary unemployment could help you protect your finances.

Ever worry that you will be weighed down by debt if you ever have the misfortune of becoming involuntarily unemployed, sick, or injured? Or worry about the debt that you would leave behind for your loved ones if you were to die?

**MEMBER'S CHOICE Borrower Security** adds protection for life events such as accidental dismemberment, terminal illness, hospitalization, family medical leave, and the loss of life of a non-protected dependent.

It's a debt cancellation protection agreement that can help cancel the principal and/or interest that you have remaining on your loan.
